

Sustaining Colorado Watersheds: Science & Restoration through Collaboration

October 4-6, 2006

Breckenridge, Colorado

The Colorado Watershed Assembly, Colorado Riparian Association, Central Rockies Chapter of the Society for Ecological Restoration, and the Colorado Watershed Network present the first joint watershed conference. We believe our combined efforts will bring watershed groups closer together with government agencies, school groups, private landowners, private industry, and other stakeholders for the benefit of Colorado's water resources. This exciting networking and educational opportunity needs your sponsorship. Please see the details below.

80-90% of Colorado's wildlife depend on our riverbanks and wetlands, which make up only 3% of Colorado's landmass.

A Call for Sponsors

Become a **Major Conference Partner** with your contribution of \$5,000 or more. Supporting Conference Partners will be orally thanked in front of the conference audience, have their name or logo displayed on a PowerPoint slide and in all conference published material at the conference. In addition, you may become a member of the Conference Partner of your choice. You may bring up to five people to the conference or designate some or all of these slots for conference scholarships. At this sponsorship level, booths are also available at no charge upon request.

Become a **Contributing Conference Partner** with your contribution of \$1,000-\$4,999. Contributing Conference Partners will have their name or logo displayed on a PowerPoint slide and in all conference published material at the conference. In addition, you may become a member of the Conference Partner of your choice. You may bring up to three people to the conference or designate some or all of these slots for conference scholarships. At this sponsorship level, booths are also available at no charge upon request.

Become a **Conference Sponsor** with your contribution of \$250-\$999. Conference Sponsors will have their name displayed in the conference schedule. In addition, you will become a member of the Conference Partner of your choice. You may bring one person to the conference or designate this slot for a conference scholarship. At this sponsorship level, booths are also available at no charge upon request.

Your **donation** will be used for conference scholarships and to help subsidize the cost of putting on the conference, field trips, and printing materials for participants. Scholarships will go to school teachers and students which are part of the River Watch program, local watershed groups and other interested parties with a fiscal barrier to coming.

Please fill out the attached **registration form**. The Colorado Riparian Association is the fiscal agent for the conference, and will be accepting all donations for the Partner Groups. If you would like to contribute directly to one of the Partner Groups, or split your donation between the conference and Partner Group support, by contacting CWA, CRA, CeRSER, or CWN directly.
